

0 REMARKS

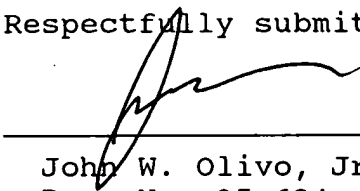

Amendment to the specification has been made to merely correct typographical errors and remove duplicative information. No new matter has been added.

5 Also, new drawings are submitted herewith for Figures 2 through 4 (all on one sheet), 6, 8, 13 and 16. The changes to these drawings include correction of typographical errors and removal of information not disclosed in the specification. No new matter has been added.

10 Finally, applicant has amended the abstract to more concisely describe the present invention. No new matter has been added.

15 Respectfully submitted,

20 Date: November 6, 1997
